Dear Peter,

I'm glad to tell you something about the

Dragon Boat Festival. Dragon Boat Festival is

one of China's traditional festivals. Many places

in China will hold Dragon boat races to

celebrate the festival on the fifth day of the fifth

lunar month, especially in southern China. Qu

Yuan (343-278 BC), was a Chu State official in

the Warring States Period. He was the earliest

famous poet in China.

Dragon boat racing is the most popular

activity during the Dragon Boat Festival. This

folk custom has been held for more than 2,000

years throughout southern China, and now it

has become an international sport. The dragon

boat races represent the attempts to rescue and

recover the body of Qu Yuan.
