作文:

Dear Tom ,

I'm excited to receive your email. Let me tell you about a sport I enjoy doing in my free time.

I love playing basketball in my free time. I became interested in playing it when I was nine years old. Playing basketball can bring me a lot of benefits. First, it is good for my body and can help me keep fit. Now I'm stronger. Second, playing basketball can make me feel happy. When I'm sad, I'll go to play basketball and then I'll feel much better. Third, by playing basketball, I can learn to work with other people as a team and make many new friends as well.

What sports do you like to do in your free time ? I hope to hear from you soon !

Best,
Li Hua
