Hi, James! This is Marta. I am very happy you are coming to my home town this summer! I know you like stories so I think you should visit Children's Bookstore with your family. Every Sunday the bookstore has activities for children and parents. I went there with my mum last Sunday and I really liked it! We read stories about forests and we also wrote our stories! A writer was there to help us and we got presents, too! I got a storybook and my mum received a cup.

If you want to visit, the ticket is 5 yuan for a child and 10 yuan for a parent. I'm sure you will love it!
