One day an American man Simon went to Lor	ndon to visit his friend, Ric	ek. Rick told him that his
flat () was on the first floor. When he are	rived, Simon went straight	t to the first floor of the
building. But a man told him that there was no l	Rick on that floor. Do you	know why? In fact, the
British () call the first floor of a building	the ground floor. The floor	above the ground floor is
the first floor, but Americans would call it the sec	eond floor.	
The story shows that there are a few culture	() differences between	een Britain and America,
though the British and Americans both speak Engl	ish.	
The British don't like showing their feelings.		_
example, on the train the British often spend their	r time reading newspapers	or books. But Americans
are quite different. They're more active and easier	to talk with.	
The British and Americans may use differ	rent words for the same	things. The British use
"football", "holiday" and "autumn", but Americ	cans like to use "soccer",	"vacation" and "fall".
