Christine and Ryan are good friends. They both live on a farm on an island near Ireland.

One morning, Ryan came to Christine's house. "Christine, let's go to the beach. "

They went to the beach to look for shells and other beautiful things. Suddenly Christine shouted, "Look! There's something in that net (网) over there. "

They ran over and found a small bird in the net. The bird was black and white, and it had orange legs.

"What kind of bird is that?" Ryan asked.

"I don't know," Christine answered.

They ran back to Christine's house and showed the beautiful bird to Christine's dad.

"It's a young puffin (海鹦)," he told them. "Puffins catch fish in the water. They can fly and they are very good at swimming. There were lots of puffins on the island, but now there aren't many. "

"Why not?" Christine asked.

"There aren't many fish anymore," said her dad. The children put the small puffin in a box. Christine's mom gave the children some fish and they fed the puffin.

Ryan came over to Christine's house every day to feed the puffin. It got bigger and bigger.

One morning there was no puffin in the box.

"Where is it?" Christine asked her mom.

"I'm sure the puffin is with its friends out in the sea."

It was a year later. Christine was looking for shells on the beach again. Suddenly, she heard Ryan shouting, "Come quickly, Christine!"

Christine ran along the beach and then she saw them. There were three puffins on a stone near the farm. Christine was sure that one of them was their puffin. She was very happy.

Every year thousands of young people in England finish school and then take a year off before they start work or go to university. Some young people go to other countries and work as volunteers. Volunteers give their time to help people. For example, they work in schools or hospitals, or they do something helpful for the environment.

Pauline Jones, 18, lives in Cardiff, Wales. Next year she wants to go to university to study Chinese, but now she's living in Belize. Pauline says, "I'm working with other people here to save the coral reefs (珊瑚礁) in the sea near Belize. The reefs here are beautiful, but if the sea water is very polluted, the coral dies. I'm helping to do research on the coral and the fish that live around the reefs. All over the world, coral reefs are dying. We need to do something about the problem before it's too late."

"I'm staying with a family here and I help do some housework. I don't get any money, but that's OK. I love my work here, and I'm learning a lot about the people of Belize – and myself! When I finish my work, I want to stay here for another three months. I want to travel around Belize and Central America."

Ladies and gentlemen, thanks a lot for joining us. I hope you have enjoyed the music. 36
Every day, hundreds of children in Africa lose their young lives, because they have terrible diseases or don't have enough food to eat. Most African countries are poor. 37 And many parents have no jobs, so they have little money to buy food or medicine. We hold the concert to raise money for the children in Africa.

38 For example, the Feed Africa Fund spends millions of dollars every year on food for them in Africa. All the money comes from kind and generous people, just like all of you.

39 Just one dollar can buy enough rice or corn to feed a family of four for three days.

40 Ten dollars? Twenty dollars? I am sure you can spend a little less on your own food so that you have a few dollars for the Feed Africa Fund.

Ladies and gentlemen, we now make a collection for the children in Africa. Please be generous. Thank you!

根据材料内容,从下面五个选项中选出能填入文中空缺处的最佳选项,使短文意思通顺、内容完整。

- A. Many organizations are trying to help the poor in Africa.
B. How much do you spend on food every day?
C. The governments have no money to take good care of the poor.
D. Every dollar you give this evening will go to the Feed Africa Fund.
E. Now, please allow me to tell you why we hold this concert.
